

Document No.: 20190226-RYTC-Announcement
 Date: February 26th, 2019
 Subject: Nameplate & Enclosure color change

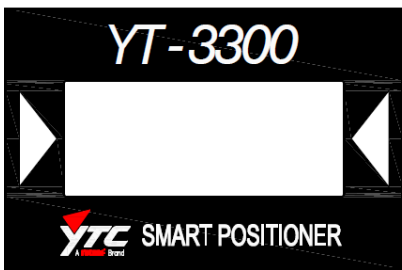

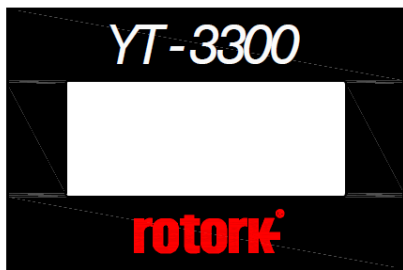

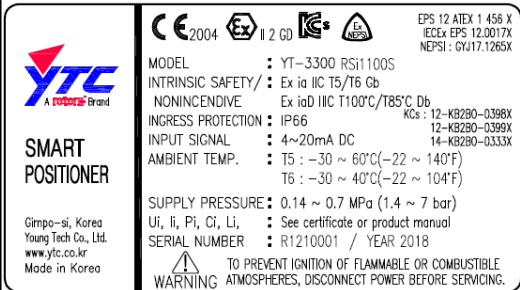

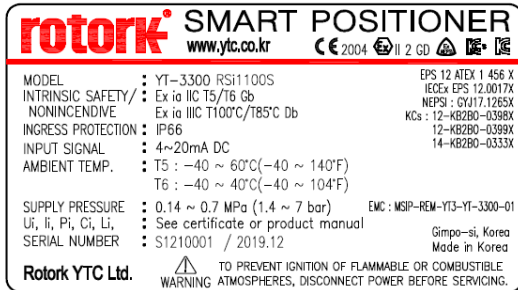

Dear Valued Customers,

This is an official announcement to inform you that our current nameplates (labels) for all products (Positioners & Accessories) and enclosure colors for all positioner models will be changed from the dates mentioned below.

Accessories' (YT-200/300/400/500/720/850/870/930/940/SPTM Series) enclosure colors will remain the same (Black).

Nameplate Design Changes Example (YT-3300):

Orders dispatching from March 18th.

Before	→	After
		
		

Positioner Enclosure Color Changes Example (YT-3300):

Positioners manufactured from May 1st.

New Color (Light Grey)

If you have any questions regarding the changes, please do not hesitate to contact either myself or your usual YTC contact person.

Thank you.
